ENGINEERS LLP

## **Company Brochure**

# Welcome to

## **THERMATEC ENGINEERS LLP.**

### Our Vision

At Thermatec Quality & Customer Satisfaction  
are our two major aims and we constantly work towards achieving them.

### About us

Started by 4 Mechanical Engineers, we are pleased to introduce ourselves as Thermatec Engineers - One of India's growing name in HVAC & Refrigeration Systems Solutions & Consultancy segment. We are also manufacturers of Domestic Water Purifiers, Water Chillers & Commercial Refrigeration Systems. All our products are a notch above the other products available in market.

We have a State of the Art Manufacturing facility in Pune, MH with a dedicated Quality Control, Sales & Support, Customer Relations department which works round the clock to provide high quality services & products to our clients.
